### **ACLE MEETS CORDRAY BEFORE LAKE ERIE BOAT RIDE**

ACLE coordinator, Mike Ferner, met Ohio gubernatorial Richard Cordray this morning, at Jockett's Marina in Point Place, prior to Cordray's boat ride on Lake Erie.

Ferner gave him a reminder copy of ACLE's candidate survey sent last week (attached) and reminded him of the group's invitation to a Toledo debate. The candidate responded, "I'm in favor of it. Just tell me when the other guy is going to be there."

ACLE continues to press candidates for public office to hold factory farm operators and other polluters accountable for cleaning up Lake Erie.
