ADVOCATES TO PICKET WANIEWSKI FUNDRAISER

Advocates for a Clean Lake Erie (ACLE) will unveil a new yard sign for Toledo mayoral candidate, Tom Waniewski, today at 5:30 pm, at the 20 North Gallery, 18 N. St. Clair St., where the district councilman's campaign is holding a fundraiser.

"We believe Toledo voters will be concerned when they learn exactly where Mr. Waniewski stands on Lake Erie," said Mike Ferner, a coordinator for ACLE.

"He has repeatedly stated he is not in favor of an impaired designation; not in favor of a complete inventory of pollution sources and amounts; not in favor of enforceable, mandatory regulations to hold polluters accountable. He believes voluntary measures will somehow stop factory farms from poisoning our drinking water when experience shows they only lead to further degradation of the lake. That is why our new yard sign says, **"tom: not for LAKE ERIE! not for MAYOR!"**
